

# IAIN ANDREW

A FRONT END DEVELOPER & DESIGNER

## EXPERIENCE

---

### B2B DEALZ

JAN 2015 - JAN 2015

GRAPHIC DESIGNER

I designed a logo for new company B2B Dealz, as a freelance project for KPH Media.

### FIRSTWAY.COM

SEPT 2014 - OCT 2014

LEAD DEVELOPER & DESIGNER

[www.firstway.com](http://www.firstway.com)

I designed and developed Firstway's Wordpress site, as well as designed their graphic content, as a freelance project for Plugmedia.

### PETERASHMORE.NET

JUNE 2014 - JUNE 2014

LEAD DEVELOPER & DESIGNER

[www.peterashmore.net](http://www.peterashmore.net)

I designed and developed this one page website for Dublin based audio engineer & music producer Peter Ashmore.

### TRUNKYS

MAY 2014 - MAY 2014

GRAPHIC & UI DESIGNER

While interning with Plugmedia, I had the opportunity to create a series of illustrations, and design the user interface for Trunkys, a mobile app concept.

### PLUGMEDIA

MAR 2014 - JUNE 2014

WEB DEVELOPER & DESIGNER INTERN

[www.plugmedia.ie](http://www.plugmedia.ie)

My role involved developing in HTML5, CSS3/LESS & Javascript/jQuery, as well as creating website mockups, UI/UX design and logo design/branding.

After proving my abilities, I was given the opportunity to design and develop Plugmedia's new website from scratch, as well as design a new Plugmedia logo.

### ARIA MASTERING

APRIL 2013 - MAR 2014

AUDIO MASTERING ENGINEER

I worked from my home studio as an audio mastering engineer with my own online business.

### FREELANCE

JAN 2011 - APRIL 2013

AUDIO ENGINEER & PRODUCER

During and after college, I freelanced as an audio engineer and music producer in a number of studios across Dublin.
